		C1 CC2 CCC3	

The diagram illustrates a sequence of overlapping rectangles arranged in a descending staircase pattern from top-left to bottom-right. Each rectangle contains three labels: a primary label (A1, B1, or C1), a secondary label (AA2, BB2, or CC2), and a tertiary label (AAA3, BBB3, or CCC3). The rectangles overlap such that the bottom-right corner of one rectangle is positioned at the top-left corner of the next rectangle. A vertical green line is positioned to the right of the final rectangle.
